ORDER

Based upon a review of the Search Warrant Affidavit this court finds that there exists an overriding interest that overcomes the right of public access to the record; the overriding interest supports sealing the record; a substantial probability exists that the overriding interest will be prejudiced if the record is not sealed; the proposed sealing is narrowly tailored; and no less restrictive means exist to achieve the overriding interest.

Therefore it is ordered that the following portion of the Search Warrant Affidavit / Statement of Probable Cause identified as the "Confidential Attachment" be sealed and kept in the custody of the Affiant's law enforcement agency and not be made part of the public record until further order of this court or any competent court.

2 Road, Suite number 1, Las Vegas, NV, to "Conrad MURRAY, MD, Global Cardiovascular Assoc." at
3 2110 East Flamingo Road, suite number 201. The receipt detailed on May 12, 2009, MURRAY
4 purchased four (4) 100ml vials of PROPOFOL 10ML/ML SDV 10x100ML, one (1) 100ml vial of
5 PROPOFOL 10ML/ML VL 25x20ML, two (2) vials of MIDAZOLAM 1MG/ML VIAL 10/2 ML, one (1)
6 vial FLUMAZENIL 0.1 MG/ML VL 10x5ML and one (1) LIDOCAINE 2% cream. There was a separate
7 \$65 charge for overnight Federal Express (Fed Ex) of the purchased items to DR. MURRAY to an
8 unknown destination.

9 DEA Agents were tasked with attempting to track the origin, route and possessor of the PROPOFOL
10 (DIPRIVAN) bottles found at the JACKSON residence. On August 4, 2009, DEA agents notified your
11 affiant's partner, Detective O. Martinez, Serial No. 31124 that PROPOFOL (DIPRIVAN) bottles found
12 during the search of Jackson's residence and in DR. MURRAY's personal medical bag showed Teva, Inc.
13 as the manufacturer for the 20ml bottles and Hospira, Inc. for the 100ml bottles. DEA sent requests for
14 shipment records for all bottles possessing the same lot numbers to both manufacturers. From the records
15 received from the manufacturers, additional record requests were made by DEA to each distributor Teva
16 and Hospira had sold to. DEA received records of sales from these distributors as well. A subsequent
17 review of records received by DEA from the distributors showed sales to Applied Pharmacy Services for
18 both 20ml and 100ml bottles with the corresponding lot numbers.

19 The searches at DR. MURRAY's residence and business failed to yield any notes, patient profiles,
20 treatment history, records, and charts regarding the treatment for MICHAEL JOSEPH JACKSON at his
21 residence at 100 North Carolwood Drive.

22 On August 7, 2009, the Honorable Judge Timothy C. Williams, Clark County Superior Court,
23 Nevada, issued a search warrant for APPLIED PHARMACY SERVICES, located at 6370 West Flamingo
24 Road, suite 1, Las Vegas Nevada. On August 11, 2009, Las Vegas Metro Police Department (LVMPD),
25 Drug Enforcement Administration (DEA) and LAPD RHD officers served the search warrant at the
26 business address. LAPD RHD and your affiant recovered several purchase invoices and receipts from the

STATE OF CALIFORNIA - COUNTY OF LOS ANGELES

1 business where DR. MURRAY purchased PROPOFOL, BENOQUIN, MIDAZOLAM, FLUMAZENIL,
2 LIDOCAINE, LIDOCAINE cream, LORAZEPAM, SALINE solution, HYDROQUIN, and LIDO 1%
3 from APPLIED PHARMACY SERVICES. A check of their Federal Express account showed the
4 delivery addresses for the purchases to be either to DR. MURRAY's office in Las Vegas or to a NICOLE
5 ALVAREZ at [REDACTED]

6 On September 24 & 25, 2009, NICOLE ALVAREZ appeared before the Los Angeles County Grand
7 Jury. ALVAREZ listed her residence as [REDACTED]

8 She also advised the court she utilized the Gmail (Google) e-mail account with the screen name of
9 [REDACTED] ALVAREZ also testified she is the mother of DR. MURRAY'S child,

10 born March 2, 2009. During the course of the investigation your affiant also learned that DR.
11 MURRAY made numerous telephone calls to NICOLE ALVAREZ leading up to and including the day
12 JACKSON died. Your affiant believes that MURRAY may have communicated the aforementioned
13 shipments with ALVAREZ via her Gmail (Google) account under the screen name of

14 [REDACTED] During the investigation your affiant discovered DR MURRAY owned
15 and utilized an Apple iPhone to send and receive real time e-mails and messages.

16 On August 27, 2009, the Los Angeles County Coroner's Office determined the cause of death to be
17 Acute Propofol Intoxication, with a benzodiazepine effect. The manner of death was ruled a homicide.

18 Based on the aforementioned information, your affiant believes reviewing NICOLE ALVAREZ'S e-
19 mails may reveal additional shipments of Propofol and other medications not already known.

20 Furthermore the e-mails may establish chain of custody of the shipments. The e-mails may also
21 identify and or establish any aiders or abettors in the death of Michael Jackson. Because there are
22 reasonable grounds to believe that such information is relevant and material to the ongoing
23 investigation, I request the Search Warrant authorizing the release of all e-mails (sent or received),
24 instant message conversations, histories, internet protocol addresses buddy lists, profiles, subscriber
25 information, method of payment and credit information, as well as detailed billing logs (log on & log off

2 establish a Gmail (GOOGLE) account including customer name(s), address(es), telephone number(s),
3 credit information including any identifying numbers such as Driver's license number(s) and Social
4 Security number(s), for the time period of 05/01/2009 through 09/01/2009.

5 Based on the information provided in this affidavit, I believe that the disclosure of the requested Search
6 Warrant may result in the flight from potential prosecution or the destruction of or tampering with
7 evidence, or may otherwise seriously jeopardize the investigation. Therefore, pursuant to California
8 Penal Code Section 629.66, I further request that the court Seal this record and direct the **Custodian of**
9 **Records: Gmail (Google) Legal Compliance Manager**, filed concurrently herewith, and their
10 representatives, agents and employees, not to disclose in any manner, to the listed subscribers, or to any
11 other person, the existence of this Order, in full or redacted form, or of this investigation unless
12 otherwise ordered by this court.

13 Pursuant to California Evidence Code Sections 1040 to 1042, and to protect the identity of any official
14 information, pursuant to the Supreme Court decision in *People v. Hobbs*, (1994) 7 Cal. 4th 948, your
15 affiant also respectfully requests that this search warrant, affidavit and all documents relating to this
16 search warrant be sealed to maintain the integrity of the investigation. Your affiant also requests that they
17 remain sealed and in the custody of the clerk of the court until order of this court or other competent court
18 having jurisdiction over this matter. Disclosure of these documents would compromise the ongoing
19 investigation into the death of JACKSON and would jeopardize the integrity of the investigation and give
20 the targets opportunity to hide, destroy and/or alter other material evidence.

SEARCH WARRANT AND AFFIDAVIT

1 has received advice, training and information related to the use, handling, prescribing, information
2 systems, and records kept by doctors and pharmacies, and the properties of the medication PROPOFOL
3 (DIPRIVAN) from the Drug Enforcement Administration, California Department of Justice, Bureau of
4 Narcotics Enforcement and the Los Angeles County Medical Examiner's Offices.

5 On June 25, 2009, at approximately 1426 hours, MICHAEL JOSEPH JACKSON was pronounced
6 dead at UCLA Medical Center. Los Angeles Police Department (LAPD) Robbery-Homicide Division
7 (RHD) was assigned to conduct the investigation into JACKSON's death. Several bottles of PROPOFOL
8 (DIPRIVAN) were recovered from JACKSON's residence with the same "lot" numbers. The lot numbers
9 correspond to the manufacturers' date of production and shipping information. The bottles were
10 recovered from JACKSON's bedside and from DR. MURRAY's personal medical bags.

11 Further investigation revealed that JACKSON was treated by at least 7 other doctors under the aliases
12 of OMAR ARNOLD, aka PAUL FARANCE, aka PAUL FARNCE, aka BRYAN SINGLETON, aka
13 MIKE JACKSON, aka MICK JACKSON, aka MIC JACKSON, aka JACK LONDON, aka MICHAEL
14 AMIR WILLIAMS MUHAMMAD, aka JIMMY NICHOLAS, aka BLANCA NICHOLAS, aka
15 ROSELYN MUHAMMAD, aka PRINCE JACKSON, aka FAHEEM MUHAMMAD, aka FRANK
16 TYSON, aka FERNAND DIAZ, aka PETER MADONIE, aka JOSEPHINE BAKER and aka KAI
17 CHASE. During the course of the investigation, RHD detectives conducted multiple interviews and
18 recovered numerous items of evidence which formulated probable cause to believe that DR. CONRAD
19 MURRAY was responsible for JACKSON's death under California Penal Code Section 192,
20 Manslaughter.

21 Based upon this probable cause, on July 27, 2009, the Honorable Judge Timothy C. Williams, Clark
22 County Superior Court, Nevada, issued a search warrant for DR. MURRAY's business address, "Global
23 Cardiovascular Associates" 2110 East Flamingo, unit number 301, Clark County, Las Vegas Nevada, and
24 his home address, [REDACTED]. On July 28, 2009, Las
25 Vegas Metro Police Department (LVMPD), Drug Enforcement Administration (DEA) and LAPD RHD
26 officers served the search warrant at the business and home addresses for items including "Records,

1 shipping orders, distribution lists, and use records relating to the purchase, transfer, receiving, ordering,
2 delivery and storage of PROPOFOL (DIPRIVAN)." During the search, LAPD Detective Smith, Serial
3 No. 25301, recovered a sales receipt from "Applied Pharmacy Services," located at 6370 W. Flamingo
4 Road, Suite number 1, Las Vegas, NV, to "Conrad MURRAY, MD, Global Cardiovascular Assoc." at
5 2110 East Flamingo Road, suite number 201. The receipt detailed on May 12, 2009, MURRAY
6 purchased four (4) 100ml vials of PROPOFOL 10ML/ML SDV 10x100ML, one (1) 100ml vial of
7 PROPOFOL 10ML/ML VL 25x20ML, two (2) vials of MIDAZOLAM 1MG/ML VIAL 10/2 ML, one (1)
8 vial FLUMAZENIL 0.1 MG/ML VL 10x5ML and one (1) LIDOCAINE 2% cream. There was a separate
9 \$65 charge for overnight Federal Express (Fed Ex) of the purchased items to DR. MURRAY to an
10 unknown destination.

11 DEA Agents were tasked with attempting to track the origin, route and possessor of the PROPOFOL
12 (DIPRIVAN) bottles found at the JACKSON residence. On August 4, 2009, DEA agents notified your
13 affiant that PROPOFOL (DIPRIVAN) bottles found during the search of Jackson's residence and in DR.
14 MURRAY's personal medical bag showed Teva, Inc. as the manufacturer for the 20ml bottles and
15 Hospira, Inc. for the 100ml bottles. DEA sent requests for shipment records for all bottles possessing the
16 same lot numbers to both manufacturers. From the records received from the manufacturers, additional
17 record requests were made by DEA to each distributor Teva and Hospira had sold to. DEA received
18 records of sales from these distributors as well. A subsequent review of records received by DEA from
19 the distributors showed sales to Applied Pharmacy Services for both 20ml and 100ml bottles with the
20 corresponding lot numbers.

21 The searches at DR. MURRAY's residence and business failed to yield any notes, patient profiles,
22 treatment history, records, and charts regarding the treatment for MICHAEL JOSEPH JACKSON at his
23 residence at 100 North Carolwood Drive.

24 On August 7, 2009, the Honorable Judge Timothy C. Williams, Clark County Superior Court,
25 Nevada, issued a search warrant for APPLIED PHARMACY SERVICES, located at 6370 West Flamingo
26 Road, suite 1, Las Vegas Nevada. On August 11, 2009, Las Vegas Metro Police Department (LVMPD),

SEARCH WARRANT AND AFFIDAVIT

1 Drug Enforcement Administration (DEA) and LAPD RHD officers served the search warrant at the
2 business address. LAPD RHD and your affiant recovered several purchase invoices and receipts from the
3 business where DR. MURRAY purchased PROPOFOL, BENOQUIN, MIDAZOLAM, FLUMAZENIL,
4 LIDOCAINE, LIDOCAINE cream, LORAZEPAM, SALINE solution, HYDROQUIN, and LIDO 1%
5 from APPLIED PHARMACY SERVICES. A check of their Federal Express account showed the
6 delivery addresses for the purchases to be either to DR. MURRAY's office in Las Vegas or to a NICOLE
7 ALVAREZ at [REDACTED]

8 Your affiant respectfully requests that a search warrant be issued for the residence of NICOLE
9 ALVAREZ at [REDACTED]. Your affiant believes that
10 the location will house information on any other/further transactions, deliveries or orders between DR.
11 MURRAY and APPLIED PHARMACY SERVICES or any other pharmacy for PROPOFOL
12 (DIPRIVAN) and the other listed drugs. The location may also contain DR. MURRAY's missing medical
records regarding his treatment of JACKSON at the residence.

14 Based on the aforementioned information and investigation, your affiant believes ground for issuance
15 of a search warrant exists as set forth in Penal Code section 1524 because the items sought constitute
16 evidence which tend to show that a felony has been committed, and that a particular person has committed
17 a felony, that felony being PC 192, Manslaughter. Your affiant hereby prays that a search warrant be
18 issued for the seizure of said property or any part thereof, from said locations at any time of the day, good
19 cause being shown, therefore, and the same be brought before this magistrate or retained subject to the

Las Vegas Metropolitan Police Department has no intention of retaining or copying any aforementioned property to be seized. All property of evidentiary value will be turned over to the Los Angeles Police Department.

Your Affiant is currently assisting the Los Angeles Police Department, specifically the Robbery-Homicide Division, with an ongoing criminal investigation. Your Affiant received information from Los Angeles Police Department, Co-Case Agent, Detective

Scott Smith, Serial NO. 25301, that they are investigating the following crimes that were committed in the state of California:

California Penal Code section 192(b) Manslaughter.

In support of your affiant's assertion to constitute the existence of probable cause, the following facts are offered:

STATEMENT OF PROBABLE CAUSE

Affiant declares under penalty of perjury that the following facts are true and that there is probable cause to believe, and Affiant does believe, that the designated articles, property, and persons are now in the described locations, including all rooms, buildings, and structures used in connection with the premises and buildings adjoining them, the vehicles and the persons:

On August 5, 2009, Detective Steve Armbruster who is employed by the Las Vegas Metropolitan Police Department and is assigned to the Drug Enforcement Administration's Tactical Diversion Squad, Las Vegas office was presented with an affidavit outlining an ongoing investigation in the state of California. It is your affiant's assertion that LAPD Peace Officer Orlando Martinez Serial Number #31124 demonstrated probable cause for the crime of California Penal Code section 192(b) Manslaughter.

On June 25, 2009, at approximately 1222 hours, Los Angeles Fire Department (LAFD) Rescue Ambulance (RA) 71 responded to an emergency call at 100 North Carolwood Drive, in the city of Los Angeles. The comments of the call stated a 50 year old male was not breathing, and cardiopulmonary resuscitation (CPR) was in progress. Upon their arrival, they were met by Dr. CONRAD MURRAY, who identified himself as the patient's personal physician. MURRAY informed the paramedics that the patient, later identified as MICHAEL JOSEPH JACKSON, had stopped breathing and MURRAY had continuously administered CPR until the RA's arrival.

Murray told the PAFD paramedics he had given JACKSON LORAZEPAM (ATIVAN) before he stopped breathing. The paramedics began caring for JACKSON and transported both MURRAY and JACKSON to UCLA Medical Center. Upon arrival, MURRAY met with Dr. R. COOPER, the physician in charge of the emergency department. MURRAY told COOPER he had given JACKSON two separate 2mg doses of LORAZEPAM (ATIVAN), during the course of the night. COOPER and her team attempted to revive JACKSON with negative results. COOPER pronounced JACKSON's death at 1426 hours. MURRAY refused to sign the death certificate, and the Los Angeles Coroner's Office was summoned to the hospital. Los Angeles Police Department (LAPD) Robbery Homicide Division (RHD) Detectives Smith, Serial No.

25301, and Officer Martinez were assigned to assist the Coroner's office conduct a death investigation. Upon arrival at UCLA Medical Center, neither the coroner's investigators nor detectives could locate MURRAY to re-interview him. Repeated attempts at contacting and locating MURRAY were unsuccessful.

Coroner's investigators and RHD Detectives responded to 100 North Carolwood Drive to further their investigation. A search of the residence, specifically JACKSON's bedside, revealed numerous bottles of medications prescribed by DR. MURRAY to JACKSON, including DIAZEPAM (VALIUM), TAMSULOSIN (FLOMAX), LORAZEPAM (ATIVAN) and TEMAZEPAM (RESTORIL). Prescription pill bottles of CLONAZEPAM (KLONOPIN) and TRAZODONE (DESYRL), prescribed to JACKSON by DR. METZGER and a prescription pill bottle of TIZANIDINE (ZANAFLEX), prescribed to JACKSON by DR. KLEIN were also found at JACKSON's bedside. According to the Physician's Desk Reference (PDR), most of these drugs have an indicated or off label use in the treatment of insomnia.

On June 27, 2009, Detective Smith and Officer Martinez met with MURRAY and his attorneys for an interview. MURRAY stated that he was JACKSON's personal physician. MURRAY had been treating JACKSON for insomnia for approximately the past six weeks. He had been giving JACKSON 50 mg of PROPOFOL (DIPRIVAN), diluted with LIDOCAINE (XYLOCAINE), every night via intravenous drip (IV) to assist JACKSON in sleeping.

MURRAY felt that JACKSON may have been forming an addiction to PROPOFOL (DIPRIVAN), and tried to wean JACKSON off of the drug. On June 22, 2009, two days prior to his death, he gave JACKSON 25 mg PROPOFOL (DIPRIVAN), along with LORAZEPAM (ATIVAN), and MIDAZOLAM (VERSED). JACKSON was able to sleep with this mixture of medications. On June 23, 2009, he gave JACKSON LORAZEPAM (ATIVAN) and MIDAZOLAM (VERSED) only, withholding any PROPOFOL (DIPRIVAN), and JACKSON was able to sleep. On June 25, 2009, at approximately 0130 hours, he again tried to induce sleep without the PROPOFOL (DIPRIVAN) and gave JACKSON a 10mg tab of VALIUM. JACKSON was unable to sleep and at approximately 0200 hours, MURRAY injected JACKSON with 2mg LORAZEPAM (ATIVAN) after dilution, pushed slowly into his IV. JACKSON was still unable to sleep. At approximately 0300 hours, MURRAY then administered 2mg MIDAZOLAM (VERSED) to JACKSON after dilution, also pushed slowly into his IV. JACKSON remained awake and at approximately 0500 hours, MURRAY administered another 2mg LORAZEPAM (ATIVAN), after dilution, pushed slowly into his IV. JACKSON remained awake and at approximately 0730 hours, MURRAY administered another 2mg of MIDAZOLAM (VERSED), after dilution, into his IV. MURRAY stated he was continuously at JACKSON's bedside and was monitoring him with a pulse oximeter. According to DR. MURRAY, the pulse oximeter was connected to JACKSON's finger and measured his pulse and oxygen statistics.

JACKSON remained awake and at approximately 1040 hours, MURRAY finally

administered 25mg of PROPOFOL (DIPRIVAN), diluted with LIDOCAINE (XYLOCAINE), via IV drip to keep JACKSON sedated, after repeated demands/requests from JACKSON. JACKSON finally went to sleep and MURRAY stated that he remained monitoring him. After approximately 10 minutes, MURRAY stated he left JACKSON's side to go to the restroom and relieve himself. MURRAY stated he was out of the room for about 2 minutes maximum. Upon his return, MURRAY noticed that JACKSON was no longer breathing. MURRAY began single man cardiopulmonary resuscitation (CPR) at once. MURRAY also administered .2mg of FLUMANEZIL (ANEXATE) to JACKSON and called JACKSON's personal assistant, MICHAEL AMIR WILLIAMS, with his cellular telephone for help. MURRAY reached WILLIAMS and requested that he send security upstairs for an emergency. MURRAY continued CPR and after a few minutes without the security detail's response, he left JACKSON and ran out to the hall and downstairs to the kitchen. MURRAY asked the chef to send up PRINCE JACKSON, the eldest son, and returned to continue CPR. P. JACKSON responded upstairs and summoned the security detail. ALBERTO ALVAREZ went to the aid of MURRAY and called 911 via his cellular telephone. MURRAY waited for the ambulance's arrival while conducting CPR, assumed care from the paramedics and accompanied them to the hospital. MURRAY observed the treatment to JACKSON at UCLA Medical Center and assisted in notifying the family after JACKSON's death was pronounced. MURRAY left the hospital after a while because he did not know that he was needed. MURRAY added that his doctor's bag was still at the residence and directed Officer Martinez to its exact location inside of JACKSON's residence.

MURRAY told Officer Martinez that he was not the first doctor to introduce JACKSON to PROPOFOL (DIPRIVAN). MURRAY stated that JACKSON was very familiar with the drug and referred to it as his "milk." PROPOFOL (DIPRIVAN) has a milk appearance. JACKSON would also refer to the LIDOCAINE (XYLOCAINE) as "anti-burn." According to the Physician's Desk Reference (PDR), PROPOFOL (DIPRIVAN) creates a burning sensation at the injection site and LIDOCAINE (XYLOCAINE) can be used to relieve the discomfort. MURRAY stated that he had repeatedly asked JACKSON what other physicians were treating him and what was being prescribed to him, but JACKSON would not tell him. JACKSON did mention that Doctor ARNOLD KLEIN and Doctor ALAN METZGER had given him medicine and that it was not working. JACKSON told MURRAY about two unknown doctors in Germany whom gave him the PROPOFOL (DIPRIVAN). At one time MURRAY noticed and inquired about injection marks on JACKSON's hands and feet. JACKSON stated that Doctor CHERILYN LEE had been giving him a "cocktail" to help him. MURRAY believed the cocktail to be a PROPOFOL (DIPRIVAN) mix. MURRAY also recounted how sometime between March and April of this year, JACKSON called him in Las Vegas and asked him to call Doctor DAVID ADAMS and arrange for Doctor ADAMS to give JACKSON PROPOFOL (DIPRIVAN). MURRAY did as JACKSON asked and arranged for Doctor ADAMS to treat JACKSON. MURRAY was present at a third party cosmetologist's office where Doctor ADAMS sedated JACKSON with PROPOFOL (DIPRIVAN). MURRAY stated this was around the time that JACKSON requested him

to be his personal physician on the European tour.

Officer Martinez obtained MURRAY's cellular telephone records for the early morning hours of June 25, 2009. In his statement, MURRAY estimated the time that he noticed JACKSON was not breathing to be at approximately 1100 hours. MURRAY's cellular telephone records show MURRAY on the telephone, with three separate callers for approximately 47 minutes starting at 1118 hours, until 1205 hours. MURRAY did not mention this to the interviewing detectives.

Officer Martinez authored a search warrant for the doctor's bag and supplies and on June 29, 2009, the honorable Judge C. OLMEDO issued the search warrant for JACKSON's residence at 100 N. Carolwood Drive. Investigators served the warrant and recovered multiple bottles/vials of LIDOCAINE (XYLOCAINE), several bottles/vials of PROPOFOL (DIPRIVAN), bottles/vials of LORAZEPAM (ATIVAN), bottles/vials of MIDAZOLAM (VERSED), and bottles/vials of FLUMAZENIL (ANEXATE). None of these items were labeled as prescribed to any patient.

The PROPOFOL (DIPRIVAN) that was recovered from 100 N. Carolwood Drive in Dr. Murray's doctor's bag and on the bedside table was in 20 ml and 100 ml bottles with the "lot numbers" of 313058858 and 76197DJ.

Detectives contacted the Drug Enforcement Administration (DEA) to assist in tracking the medications found at JACKSON's residence. DEA agents informed Officer Martinez PROPOFOL is difficult to track because the lot numbers are created in large amounts and shipped from manufacturer to distributor, distributor to surgery center, hospital, etc. The hospital or surgery center records would be needed to examine how many units were received and how they are accounted for. DEA advised that all doctors or nurse practitioners who prescribe medicines in California are required to obtain a "DEA" number under which they are identified during their drug orders. DEA also checked all available computer systems to determine whether DR. MURRAY had prescribed PROPOFOL (DIPRIVAN) to JACKSON and how much of the drug he had purchased and/or ordered. DEA was unable to find a record of DR. MURRAY purchasing, ordered or obtaining any PROPOFOL (DIPRIVAN) under his medical license or DEA number.

The attorney for the JACKSON family members, Blair Berk, contacted Officer Martinez and gave him the name of Dr. RANDY ROSEN. JACKSON's relatives stated that JACKSON had told them ROSEN had been treating him. JACKSON's family and news reports have documented that JACKSON has used the aliases of JACK LONDON, MIKE JACKSON, MICK JACKSON, FRANK TYSON, and MIC JACKSON. They also mention that JACKSON would have prescriptions written in the name of members of his entourage. Through interviews of JACKSON's staff, employees and family, investigators determined that at the time of his death, JACKSON's closest circle of associates included MICHAEL AMIR WILLIAMS MUHAMMAD, JIMMY NICHOLAS, BLANCA NICHOLAS, ROSELYN MUHAMMAD, PRINCE JACKSON, FAHEEM

MUHAMMAD, AND KAI CHASE. On July 17, 2009, detectives received a call from an unknown female caller who stated that she had information on the aliases used by JACKSON when he would visit DR. KLEIN. She provided the names, OMAR ARNOLD, FERNAND DIAZ, PETER MADONIE, and JOSEPHINE BAKER as names JACKSON would use when seeing DR. KLEIN. Detectives recovered a prescription at JACKSON's residence in the name of OMAR ARNOLD prescribed by DR. KLEIN.

Los Angeles County Coroner's Investigator Fleak subpoenaed medical records from DR. CONRAD MURRAY, DR. ARNOLD KLEIN, DR. ALLAN METZGER, DR. DAVID ADAMS, DR. MARK TADRISSE, whom DR. ADAMS stated stored his medical records, DR. DAVID SLAVIT, who completed an independent medical examination of JACKSON for Anschultz Entertainment Group (AEG), DR. RANDY ROSEN and nurse practitioner CHERILYN LEE.

Detectives Smith and Myers interviewed CHERILYN LEE. LEE first met JACKSON in January 2009 when she was asked to come and look at JACKSON's three children, Prince, Paris and Blanket, who were suffering from colds. She conducted a routine examination on all 3 children.

LEE stated that JACKSON was complaining of a low energy level. She returned the next day and completed a full blood screening. Two days later the blood came back normal-low blood sugar. LEE stated that she put JACKSON on a good food diet with a protein drink.

On Easter Sunday, JACKSON complained to LEE that he had problems sleeping. JACKSON mentioned the drug PROPOFOL (DIPRIVAN). LEE stated that she was not familiar with the drug. JACKSON told her that his Doctor told him that it was safe. He did not mention what Doctor told him this. LEE researched the drug and learned that PROPOFOL (DIPRIVAN) was commonly used by anesthesiologists during surgery. She stated that the drug was not good for him and that he should not take it. LEE stated that JACKSON asked her if she could get PROPOFOL (DIPRIVAN) or if she knew someone that could. He stated he would pay her or another Doctor whatever they wanted for it. LEE stated that she could not and would not get it for him. LEE stated that this was the last time she ever saw JACKSON.

On Father's Day of this year, LEE stated that she received a call from FAHEEM MUHAMMAD, JACKSON's personal body guard, stating that JACKSON was sick. LEE stated that she heard JACKSON in the background saying, "one side of my body is hot and the other side is cold." When asked what this meant to her, she stated that something had been introduced into his Central Nervous System. LEE stated she told Faheem to take JACKSON to the hospital.

Detectives interviewed GRACE OWANDA, JACKSON's children's nanny. OWANDA stated that JACKSON was currently being treated by DR. KLEIN and the last physician to treat JACKSON was DR. LARRY KOPLIN.

The Los Angeles Chief Medical Examiner-Coroner, Dr. SATHYAVAGISWARAN, indicated that he had reviewed the preliminary toxicology results and his preliminary assessment of JACKSON's cause of death was due to lethal levels of PROPOFOL (DIPRIVAN).

Investigators interviewed the responding paramedics and UCLA Medical staff regarding the statements made by DR. MURRAY on the 25th of June at the residence and hospital. UCLA doctors and the LAFD paramedics stated that DR. MURRAY had only disclosed that he had given the medication LORAZEPAM (ATIVAN) to JACKSON prior to his medical emergency. DR. MURRAY also admitted to giving JACKSON the medication FLUMAZENIL (ANEXATE), to counteract the LORAZEPAM (ATIVAN), to UCLA doctors.

On July 24, 2009, the Honorable Judge Timothy C. Williams, Clark County District Court issued a search warrant for DR. MURRAY's business address, "Global Cardiovascular Associates" 2110 East Flamingo, unit number 301, Clark County, Las Vegas Nevada, and his home address, [REDACTED]

[REDACTED]. On July 28, 2009, Las Vegas Metro Police Department (LVMPD), Drug Enforcement Administration (DEA) and Los Angeles Police Department (LAPD) Robbery-Homicide Division (RHD) officers served the search warrant at the business and home addresses for items including "Records, shipping orders, distribution lists, and use records relating to the purchase, transfer, receiving, ordering, delivery and storage of PROPOFOL (DIPRIVAN)." LAPD detectives identified the employees of Global Cardiovascular Associates as STACEY HOWE, LEAH TANNER, SARAH O'LEARY, CAROL GREUEL and CONNIE NG through business records and employee interviews.

During the search, LAPD Detective Smith, Serial No. 25301, recovered a sales receipt from "Applied Pharmacy Services," located at 6370 W. Flamingo Road, Suite number 1, Las Vegas, NV, to "Conrad MURRAY, MD, Global Cardiovascular Assoc." at 2110 East Flamingo Road, suite number 201, for a purchase of PROPOFOL (DIPRIVAN) and other drugs. The receipt detailed on May 12, 2009, MURRAY purchased four (4) 100ml vials of PROPOFOL 10ML/ML SDV 10x100ML, one (1) 100ml vial of PROPOFOL 10ML/ML VL 25x20ML, two (2) vials of MIDAZOLAM 1MG/ML VIAL 10/2 ML, one (1) vial FLUMAZENIL 0.1 MG/ML VL 10x5ML and one (1) LIDOCAINE 2% cream. The receipt was dated 05/12/2009, and marked with sale number 25234. Attached to the receipt were 2 separate copies of credit card transactions, detailing the business "Applied Pharmacy Services" at 6370 W Flamingo Rd Ste 1, Las Vegas, NV 89103-2274, (702) 304-0770, Merchant ID: [REDACTED], Term ID: 0017340008013131753002, Invoice Number 025234, Approval Code: 902570, credit card number xxxxxxxxxxxx4467, in the amounts of \$853.00 at 16:25:02 and \$65 at 16:29:06. The separate \$65 charge was for overnight Federal Express (Fed Ex) of the purchased items to DR. MURRAY at an unknown destination.

DEA Agents were tasked with attempting to track the origin, route and possessor of the PROPOFOL (DIPRIVAN) bottles found at the JACKSON residence. On August 4, 2009, DEA agents notified your affiant that PROPOFOL (DIPRIVAN) bottles found during the search of Jackson's residence showed Teva, Inc. as the manufacturer for the 20ml bottles and Hospira, Inc. for the 100ml bottles. DEA sent requests for shipment records for all bottles possessed with the lot numbers of 313058858 and/or 76197DJ to both manufacturers. From the records received from the manufacturers, additional record requests were made by DEA to each distributor Teva and Hospira had sold to. DEA received records of sales from these distributors as well. A subsequent review of records received by DEA from the distributors showed sales to Applied Pharmacy Services for both 20ml and 100ml bottles.

Your affiant respectfully requests that a search warrant be issued for the business "Applied Pharmacy Services" at 6370 W. Flamingo Road, Suite No.1 Clark County, Las Vegas Nevada. Your affiant believes that the location will house information on any other/further transactions between DR. MURRAY and the pharmacy for PROPOFOL (DIPRIVAN). This information may also uncover the VISA credit card number DR. MURRAY used in the transaction and may lead to any further purchases of PROPOFOL (DIPRIVAN).

Based on the aforementioned information and investigation, your affiant believes grounds for issuance of a search warrant exists as set forth in Nevada Revised Statutes 179.035 and 179.045 because the items sought constitute evidence which tend to show that a crime has been committed, and that a particular person has committed a crime. Given that the State of California has no authority to issue a search warrant for property within the State of Nevada, I respectfully request this Court to issue a search warrant for the described property, located in Nevada; said property being evidence of crimes committed in the State of California. It is the intent of the affiant and peace officers executing the warrant to turn over all the evidence seized hereunder to a designated sworn law enforcement officer from the Los Angeles Police Department / Sheriff's Office of the State of California for use in its prosecution/investigation. I have been assured by the designated sworn law enforcement officer from the Los Angeles Police Department/Sheriff's Office of the State of California that the property turned over will be protected and subject to the jurisdiction of the courts of California and will not be disposed of except as pursuant to law of the State of California. The suspect herein will be accorded due process in such disposition. I have also been assured by the designated sworn law enforcement officer that if a final judgment/order is entered by a Nevada court declaring the warrant is invalid pursuant to NRS 179.085, the property will be returned to the aggrieved party as indicated in the judgment/order. Thus, in signing this affidavit and warrant I respectfully request the permission of the Magistrate to authorize such removal of the seized property to the State of California authorities in accordance with the terms herein.

Your affiant requests the items seized pursuant to this search warrant be permitted for use by the Medical Board of California, Drug Enforcement Administration

and the California Department of Justice, Bureau of Narcotics Enforcement in any possible administrative action taken to modify the subjects' license status.

It is further requested that this affidavit be sealed by the Order of the Court because of the following reasons. There is currently an ongoing criminal investigation involving multiple doctors, residences and businesses in several jurisdictions, and premature disclosure of the contents of this affidavit could jeopardize the success of the investigation.

WHEREFORE, Affiant requests that a Search Warrant be issued directing a search for and seizure of the aforementioned items at the locations set forth herein.
